

HE WAKA EKE NOA We are all in this together

Kia ora koutou

A very warm welcome to our new students and their families.

COVID19

Please continue to follow the guidelines below.

- Regularly wash and dry your hands
- Cough or sneeze into a disposable tissue or into your elbow
- Practice physical distancing if you don't know someone
- Stay home if you're unwell and seek advice about getting tested
- It is recommended that facemasks should be worn

Please do NOT send your child to school if they are sick. If your child is displaying COVID symptoms at school we will be ringing you to come and collect them. We will require a negative COVID test for your child to return to school and they will need to be symptom free for 24 hours following the results. Thank you for your support.

Teachers Only Day

On the 3rd of June our school is closed for a teachers only day. Please note this is the Friday before Queens Birthday weekend (Monday 6th June).

Safety Around Our School

Please drive safely around our school. Your children are precious!

- No parking on the yellow lines
- Stay in your car if you are using the bus bay
- Please do not use the staff carpark
- No U-turns outside the front of school
- Please move out of the bus bay before the bus arrives

Pink Shirt Day - 20th May

We raised an amazing \$282.10 for Pink Shirt Day!

I was great to see so many students wearing pink last Friday.

Thank you to all that participated.

HERO App

Just a reminder if you have not downloaded the HERO App could you please do this as soon as possible. HERO is the app that we use to communicate with our parents and caregivers. You also use this app to report your child's/ children's absences.

Students Arriving To School Late

If you bring your child to school late please make sure that they come to the office to sign in. If they do not come to the office and sign in our office staff will not know that they have arrived to school safely for the day.

Building Woks

Work has begun on the development of a specially designed toilet between the cooking/ woodwork room and area 10. We are also getting ramps throughout the school to improve accessibility to all rooms. This is quite a major task but it will be fantastic when it is all done. Area 1 & 2 are getting very close to completion and we hope to be able to have them signed off over the next couple of weeks.

Arohanui.

Katherine Pascoe, Principal.
