PTA Onesie Day - Thank you!

Thank you once again Orewa Beach families for an amazing contribution to help stock up our community stand last Friday during our onesie day. You are all so generous and we very much appreciate your efforts. We have enough stock to keep the stall supplied for a good few weeks! Thank you also to the PTA for organising the day and collecting up all the goodies from the huge variety of unicorns, bears, wolves, sheep, and angry birds that arrived in their fluffy apparel.

Country Animal Retreat Shout Out

This incredible non profit charity, just south of Warkworth takes in rescue dogs that have come from terrible circumstances and cares for them until finding them their forever homes. We would love to support them as a school and they desperately need the following: polar fleece blankets, dog beds, old towels, baby wipes, hand towels, rubbish bin liners, disinfectant, puppy pads and dog toys. Any donations will be gladly accepted at our school office.

IMPORTANT BUS BAY UPDATE

Auckland Transport have asked us to advise all Parents and Caregivers that we are NOT to use their bus bay for school drop off's and pick up's as this is a 24hr a day working bus stop. You will now be asked by a duty teacher to move out of the bus bay if you are seen to be using it.

Area 17 - When they are 50

My class wrote about what they think they'll be like when they are 50...

- When I am 50 I am going to live in a retirement village down the hill by my Mum's house and drink coke in the sauna.

- When I'm 50 I'll have grey hair and wrinkles on my face. I will eat things like broccoli and soup. My hands will be shaky and I'll walk with a walking stick.

- When I'm 50 I'll be a farmer with grey hair, some cuts, a cane and lumps on my head.

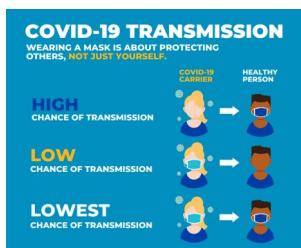

When I am 50 I will go and drink champagne.

- When I'm 50 I think I'll have olive coloured skin, a beard and a huge head. I'll walk places and occasionally put a little dance in my walking.

- If I was 50 I think I would have short thin white hair and watch the All Blacks and yell at the TV like my Nana does.

Masks

Thank you so much for supporting your children in years 4-6 to wear a mask. This helps keep them and the people around them safe.

Sickness

We are very aware that we have winter chills, colds and gastro bugs going around at the moment as well as COVID. Please take care and keep your child/children at home if they are sick.
