If I Was A King Or A Queen For The Day By A15

- If I was Queen every day I would eat pancakes with cream and blueberries and maple syrup.

- If I were a king I would throw big parties. I would live in a castle and I would have 999,999,999 cars. If I were king I would give everyone a car. My sister Sky would be a princess and I would let her get anything she wants. And I will get rid of all nuclear plants to save the world.

- If I was Queen I would redecorate. I would also get 20 rescue dogs and 5 rescue cats. I would buy Auckland Zoo and Hamilton Zoo. I would get 10,000 beds and bowls for the animals. I would also get all the endangered animals and look after them.

- If I was King forever and ever I would make everything free for a century and no taxes too! I would give v-bucks and robux to everyone everyday I would throw big parties and I would buy a big golden mansion. I would have a \$156,789,101,112,666,777 and I would give money to the poor and help the beach from getting flooded.

Studio Rūma is a multipurpose creative hub and event space, offering a place to work, gather, create and entertain in a re-stored Ōrewa workshop.

This upcoming school holidays there is something on Monday - Saturday for children.

Taught by a range of hosts including full time artists, yoga teachers, designers and primary school teachers, there is something for all the creative coast kids.

Situated in the same parking lot as Drifter Coffee, it's ideal to have a cuppa while your kids get crafty.

With community at the heart of this space, we hope that Rūma brings people together, that it is a place to learn, to teach, to celebrate and that it can be a sanctuary to many.

Just minutes walk from Ōrewa beach, it is a hidden gem of the Hibiscus Coast. We hope to see you there soon!
