This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

## **Special Programmes**

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

## **Out of Zone Enrolments**

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- First Priority This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.
- Second Priority will be given to applicants who are siblings of current students.

Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
