

OREWA BEACH SCHOOL NEWSLETTER

Kia ora koutou,

I am thrilled to report that we have had an incredible start to the new school year. Last Friday we hosted our first whole school assembly of the year, where our students showcased their singing talents. A special thank you goes out to Mrs Corke who made this assembly possible, it was a wonderful opportunity for our school community to come together and celebrate.

In the classrooms, we have witnessed incredible learning taking place. Our students have been engaged, enthusiastic, and eager to learn. The playground has been a hub of positive activity, with students enjoying their breaks and engaging in cooperative play. The atmosphere on the playground reflects the sense of community and respect that we strive to cultivate at Orewa Beach School.

This term we are looking at the school values of resilience and empathy. Resilience, the ability to bounce back from challenges and setbacks, is cultivated in our classrooms and playgrounds. Here, students are encouraged to view obstacles as opportunities for growth, learn from mistakes, and develop the determination needed to overcome hurdles. Empathy is the capacity to understand and share the feelings of others, fostering kindness, compassion, and respect within our school community. Through teaching students to empathise, listen attentively, and appreciate diverse perspectives, we cultivate a supportive and inclusive environment.

As parents and caregivers, we invite you to join us in reinforcing these values at home, collaborating in fostering a culture of resilience and empathy at Orewa Beach School
